We no longer walk deeds thru because of the liability.

Because of the new criterias with the Recorders Offices in Ohio, please first send to the Licking Co Recorders Office for a preapproval with a self addressed stamp
to the engineers with a self addressed stamped envelope to the auditors, and a self addressed stamped envelope to the recorders and then one back to you. Please make sure your envelopes are big enough to hold the deed and all the other paperwork.

If you have any questions feel free to contact us at 740-670-5051

Randi Mclaughlin
Deputy Auditor
